Education

Rajarambapu Institute of Technology, Rajaramnagar 2023 – 2027
Bachelor of Technology (B.Tech) in Computer Science Engineering (Third Year) CGPA: 8.50
Swami Ramanand Bharti Vidyamandir, Tasgaon 2022 – 2023
Higher Secondary Education (Science) 77.5%
Mahathma Gandhi Vidyalay, Savalaj 2020 – 2021
Secondary School Education 83.4%

Skills

Programming Languages: C C++, Java (OOP), SQL
Databases: MySQL, MongoDB (CRUD)
Core Concepts: Data Structures and Algorithms, OOP
Tools & Platforms: VS Code, GitHub, Canva
Soft Skills: Public Speaking, Leadership, Team Work, Problem Solving

Projects

- **Attendance Management System (GUI Based) – Java, MySQL** Feb 2026
  - Developed a GUI-based attendance system using **Java Swing** for user interaction and **MySQL** for data storage.
  - Implemented CRUD operations using **JDBC** to manage student records and attendance data.
  - Designed relational database tables with primary and foreign keys to ensure data integrity.
  - Automated attendance percentage calculation and generated structured reports.
- **Tours Travels Website** Nov 2025
  – Built a responsive travel booking platform with dynamic package displays and structured routing.
  – Integrated interactive forms with validation logic to ensure accurate user input handling.
  – Optimized layout and UI components for improved accessibility and seamless user experience.

Extra-Curricular Activities

- **Oyster Kode Club, RIT**
  Event Manager
  - Contributing to event organization, mentoring and conducting technical and non-technical sessions. Also supported the design team in creating promotional materials and organizing club activities.
  - Supported the design team in creating promotional materials and organizing club activities.
  - Organized Flagship Event **Code 404** in collaboration with **CodeChef** for the first time (Created **500+** impressions).

  Domainophile Workshop (Presenter)
  - Delivered a technical presentation on **Blockchain Fundamentals** to **120+ students**.
  - Explained core blockchain concepts including decentralization, smart contracts and real-world applications.

  C-Marathon Workshop (Presenter)
  - Conducted a hands-on workshop on **Conditional Statements in C** attended by **160+ students**.
  - Simplified core programming concepts through live coding demonstrations and interactive problem-solving.

Achievements

- Solved **180+ DSA problems on GeeksforGeeks**, demonstrating problem-solving proficiency.
- Winner of ”Hire Me” at Dr. Daulatrao Aher College of Engineering, Karad.
- Winner of ”Quiz Competition” at Rajarambapu Institute of Technology, Rajaramnagar.
- Runner Up of ”Mock Placement” at Walchand College of Engineering, Sangli.
- Runner Up of ”Job Quest” at Rajarambapu Institute of Technology, Rajaramnagar.

Certifications

- 10-Week Android Developer Virtual Internship certified by AICTE, EduSkills and Google for Developers (Jun 2025).
- 12-week NPTEL Online Certification in Fundamentals of Artificial Intelligence (Jul–Oct 2024).
